# CONTROLLED MOTION

We will find the solution.

Service & Repair

Turnkey Systems

Retrofits

Fabrication

- Aerospace Linear Components
- Linear Guides

- Linear Actuators
- Gantry Systems

- Multi-Axis Robots
- Telescopic Rails

- Vibratory Bowl Feeders
- Tracking Systems

- Centrifugal Feeders
- Elevating Pre-Feeders

- Bulk Storage Hoppers

- Material Handling
- Collaborative Robots
- Painting

- Palletizing
- Pick & Place
- Spare Parts

- Welding - Arc
- Welding - Spot

- Linear Motor Slides
- Linear Motor Axes

- Rotary Motor Axes
- Servo Controllers

- Servo Motors
- Decentralized & Centralized Drives
- Motion Controllers

- Full Product Line Evaluation, Diagnostic Service & Repair

- Engineering & Programming Services for Custom-Built Servo Systems

- Stepper Motors
- Motion Control

- Full Product Line Evaluation, Diagnostic Service & Repair

- Custom Engineering Support
